Governor Dayton's Budget for Red Wing

The Governor's budget proposal is fair, responsible and moves Minnesota forward. For Red Wing he has proposed new investments in education from our earliest learners to new investments that will put the dream of higher education within the reach of every Minnesotan. The Governor's proposal also makes our state's tax system more fair for all Minnesotans by asking the richest among us to pay their fair share in taxes.

In Goodhue County, that means asking only 234 taxpayers to pay a little bit more in income taxes. In exchange, the state will be able to afford important new investments in the Red Wing community. By asking the 234 richest residents of Goodhue County to pay a little more in taxes, we can provide an additional \$1,334,800 to Red Wing schools. This new revenue also allows us to make college more affordable by providing \$0 in new grant money for Red Wing college students.

In total, by asking the 234 richest residents of Goodhue County to pay their fair share in taxes, we can invest **\$1,780,386** in Red Wing's students, schools and property tax relief. This is a deal worth making.
